Welcome and Introduction

Reading: *Just a Thought Away*
Read by Ann

When distance takes us far apart
And darkens our today;
We have to keep remembering
You're just a thought away.

When the world is too confusing,
And times are hard to bear,
We draw your precious meaning,
Your bright spirit from the air.

And though you're not beside us,
We can go into our hearts,
And draw upon the warmth and love
That lived when we're apart.

And with these fond reflections
On the times when you were near,
We sense a little bit of what
It was like to have you here.
