**I'll Be There**

There's no right time to say goodbye
But this I ask – please do not cry
Remember me as you think best
The happy times – forget the rest

Look for me and I'll be there
And you will find me everywhere
In the gentle touch of breeze
That cools the skin or swirls the leaves.

In the scent and colour of flowers
That gave me such happy hours
On sunny days under skies of blue
Just think of me, I'll be with you.

In winter when there's clouds and mist
The rain will give to you my kiss
As wood smoke lingers in the air
Look for me and I'll be there.

Where seagulls cry above the sea
And surf rolls in so endlessly
Among towering trees that soar above
In all these things that I once loved.
Look for me and I'll be there
You'll feel my presence everywhere.
