Words of Farewell

Hymn: 'Abide With Me'

Abide with me; fast falls the eventide;
The darkness deepens; Lord, with me abide!
When other helpers fail, and comforts flee,
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day;
Earth's joys grow dim; its glories pass away;
Change and decay in all around I see;
O Thou, who changest not, abide with me!

I need Thy presence every passing hour;
What but Thy grace can foil the tempter's power?
Who like Thyself my guide and stay can be?
Through cloud and sunshine, Lord, abide with me

I fear no foe, with Thee at hand to bless;
Ills have no weight, and tears no bitterness;
Where is death's sting? Where, grave, thy victory?
I triumph still, if Thou abide with me.

Hold Thou Thy Cross before my closing eyes;
Shine through the gloom, and point me to the skies;
Heaven's morning breaks and earth's vain shadows flee;
In life, in death, O Lord, abide with me!
