**Now Thank We All Our God**

Now thank we all our God,
with heart and hands and voices,
Who wondrous things hath done,
In whom his world rejoices;
Who from our mother's arms
Hath blessed us on our way
With countless gifts of love,
And still is ours to-day.

O may this bounteous God
Through all our life be near us,
With ever joyful hearts
And blessed peace to cheer us;
And keep us in his grace,
And guide us when perplexed,
And free us from all ills
In this world and the next.

All praise and thanks to God
The Father now be given,
The Son, and him who reigns
With them in highest heaven,
The one eternal God,
Whom earth and heaven adore,
For thus it was, is now,
And shall be evermore.

**One More Step Along The World I Go**

One more step along the world I go,
One more step along the world I go,
From the old things to the new,
Keep me travelling along with you.

*And it's from the old I travel to the new,*
*Keep me travelling along with you.*

Round the corners of the world I turn,
More and more about the world I learn.
All the new things that I see,
You'll be looking at along with me. *Refrain*

As I travel through the bad and good,
Keep me travelling the way I should.
Where I see no way to go,
You'll be telling me the way, I know. *Refrain*

Give me courage when the world is rough,
Keep me loving though the world is tough.
Leap and sing in all I do,
Keep me travelling along with you. *Refrain*

One more step along the world I go,
One more step along the world I go.
From the old things, to the new,
Keep me travelling along with you. *Refrain*
