ORDER OF SERVICE

My Mother Kept A Garden

My mother kept a garden, a garden of the heart,
She planted all the good things, that gave my life its start.
She turned me to the sunshine, and encouraged me to dream,
Fostering and nurturing, the seeds of self esteem.....

And when the winds and rain came,
she protected me enough-

But not too much because she knew,
I'd need to stand up strong and tough.

Her constant good example, always taught me right from wrong-
Markers for my pathway that will last a lifetime long.

I am my Mother's garden,

I am her legacy-

And I hope she feels the love reflected back from me.

Gardens And Flowers

What a desolate place would be a world without a flower,
It would be a face without a smile,
a feast without a welcome.
Are not flowers the stars of the earth, and are not our stars
the flowers of the heaven.
