Time of Reflection
"Beyond the Rainbow's End"

I have gone from sight but I am waiting
Waiting just beyond the rainbows end
I'm happy in this place that I have come to
Because I'm here with my forever friend

Now all your thoughts of me let them be joyful
Of things we've done and happy times we've shared
So don't be sad dear ones because I've left you
Please laugh and talk of me as if I'm there

Just look up in the sky I am the sunshine
I'm the mist that rises on a summers morn
I'm the gentle breeze that cools the autumn evening
When the birds sing in the trees I am their song

This journey I have made, one day you'll make it
You too will be with my forever friend
It's then once more we'll be together
I'll meet you just beyond the rainbows end
It's then once more we'll be together
I'll meet you just beyond the rainbows end
Yes I'm waiting just beyond the rainbows end

Address

Prayers
The Lord's Prayer

Our Father in heaven,
hallowed be your name,
your kingdom come,
your will be done, on earth as in heaven.
Give us today our daily bread.
Forgive us our sins
as we forgive those who sin against us.
Save us from the time of trial
and deliver us from evil.
For the kingdom, the power, and the glory are yours
now and for ever.
Amen.
