1971 - 2018

Polly

Words r really hard right now. Dunno what to say. I think everyone did a lot to help Polly. I don't think anyone should feel like they should have done more. It's just very sad and very hard. I think of Polly as a great person - trying and difficult for sure, but her heart was always good. When she was good her focus was on how to make the world better. When she was bad she was only against herself. For this I love her very much.

- Polly's cousin, Michael
