

In Loving Memory of

JAMIE

ANDREW SHENNAN

“GIVE IT A GO”

one of Jamie's famous quotes

The family wishes to thank everyone for your support. Following the service, you are warmly invited to share in light refreshments and a time of friendship in the hall.

This is a 'found poem' using words and phrases found in messages and emails from Jamie.

Love from Jamie

*Jesus!! Thinking of you guys!!
Hope you are all ok and not too shaken up
Just dropping in to see how everyone is
Talk about high pressure*

*I'm stoked to see you all
I appreciate that sooo much
So weird to see, and in reality — just crap
If it were up to me, I would be back*

*I'm 90% sure I got caught in traffic
The mechanics and electronics disabled
Impossible to diagnose all the issues in time
One moment that sucks so much*

*It's not easy to fix this array of problems
You need a toolbox to adjust
Friends, love, home, and family
A snazzy shirt or pineapple lumps*

*Don't worry in the nights
Or early in the morning
Sleep in between
Be happy, safe and well*

*Send my love to the family
Can't wait to get home
Just about to board now
Had the best time*

Jamie's Gift

Organ donation makes a difference. It offers a valuable second chance and dramatically changes lives. Jamie gave a few people a second chance in life, he gifted his heart, liver, kidneys, pancreas and tissue from his lungs and small intestine.
