## All Things Bright and Beautiful

Chorus:

All things bright and beautiful,  
all creatures great and small,  
all things wise and wonderful,  
the Lord God made them all.

Each little flower that opens,  
each little bird that sings,  
he made their glowing colours,  
he made their tiny wings.

Chorus

The tall trees in the greenwood  
The meadows where we play  
The rushes by the water  
To gather every day

Chorus

He gave us eyes to see them,  
and lips that we might tell  
how great is God Almighty,  
who has made all things well.

Chorus

## Mum

All Mums are special  
But our Mum was Very Special  
She Loved her children dearly, the only thing she Loved more,  
was her Grandchildren and the only thing she Loved  
even more was her Great Grandchildren.  
This was because she Loved being a Mum.  
Birthdays, Weddings, Christenings but most of all Christmas was the time  
she Loved most, because she could spend even more time with her Family.

When she was loving all her children she still had more love for her  
twenty four Cubs, which she was their "Den Mum", Akela.  
She enjoyed going to Camps, Jamboree and Gang Shows  
(where she would do the makeup).

Mum was never idle & loved her craft  
(making booties for the premature babies at the hospital),  
cryptic crosswords, mahjong & writing with nice paper & pens  
(Birthday Cards, Xmas cards especially)  
If all this was not enough she went for thirty weeks to do a  
night class to learn sign language because a dear friend was going deaf.  
So you see our Mum was a "Very Special Mum"

Love you Mum
