A Little Honey

Life is a bit of bread and butter.
That's all we have. Some of us have
a little less butter and some of us
have stale bread. But we all have a little bit
of bread and butter.

A friendship is something that
puts a little bit of honey on
the bread and butter of life.

We can survive without it,
but it certainly sweetens our way.

*Your friendship for Mum Gillian
was the honey on her bread and butter.*

Family Prayers

The Lord's Prayer

Our Father, who art in heaven,
hallowed be thy name
thy kingdom come,
thy will be done,
on earth as it is in heaven.
Give us this day our daily bread,
and forgive us our trespasses,
as we forgive those
who trespass against us;
and lead us not into temptation,
but deliver us from evil.
For thine is the kingdom,
the power and the glory,
for ever and ever.
Amen
