Cry For Me Not
Cry for me not, I have no pain in leaving.
Do not visit my grave
For I no longer exist there.
I am in the air you breathe,
I am in the sun that warms you,
I am in the rain that fills your springs,
I am in the heaven that you dream of,
We are forever, you and I.

I'll Be There
There was no time to say goodbye.
But this I ask –– please do not cry.
Remember me as you think best.
The happy time - forget the rest.

Look for me and I'll be there.
And you will find me everywhere.
In the gentle touch of breeze
That cools the skin or swirls the leaves.

In the scent and colour of flowers
That gave to me such happy hours.
On sunny days under sunny skies of blue
Just think of me, I'll be with you.

In winter when there's cloud or mist
The rain will give you my kiss.
As wood smoke lingers in the air
Look for me and I'll be there.
You'll feel my presence everywhere.
